#### 16th - General Recommendations

- We recommend the authors use the Mendeley software (<https://www.mendeley.com/>) with Springer Editor style (<https://www.zotero.org/styles/springer-basic-author-date-no-et-al-with-issue>) to help format the academic references.
- We recommend the authors use the Grammarly platform (<https://www.grammarly.com/>) to correct spelling and grammatical errors in the English language.
- We request the authors to avoid using companies' names in the article unless the company manager previously approves the use of the name. In the case of the use of a company name, BTSym'22 Editorial Committee will request the appropriate documentation.

**IT MUST BE HIGHLIGHTED THAT THIS DOCUMENT DOES NOT REPLACE  
THE SPRINGER EDITOR TEMPLATE
